### **Yale's Star Placement Kicker to Play Against South**

**NEW HAVEN, Conn., Dec. 10**  
(AP)—Coach Herman Hickman of Yale today announced the addition of William (Billy) Booe, the Elis' star placement kicker, to his North football squad. Hickman's all-star team will oppose a South eleven in a Christmas night Shrine game at Miami, Fla.

Booe, who ended his college grid-iron career at Yale this year with a record of thirty-four consecutive conversions, including eleven from the 1947 campaign, lives at Shelton. He will join two other Yale team-mates, Capt. Bill Conway and Tex Furse, who were named recently.
