

December 11, 1928

Mr. R. D. Pryde
Race Brook Country Club
Orange, Conn.

Dear Bob:

I tried to reach you by telephone a few days ago but failed and I am not sure whether you have been informed that we shall be very glad to allow the use of the Yale golf links for a one day State Championship next summer. I assume that the date would be in July or August.

I know that you understand the conditions at the Yale course and that you will arrange to provide your own caddies if meals are to be served. My understanding is that you simply want us to furnish the course and that you will take care of the details.

Most cordially yours,

HFWS
